International Track Introductory

PRESIDENTIAL HACKATHON
總統盃黑客松

Supervisor- Office of the President
Organizer- Executive Yuan
Implementer- Ministry of Digital Affairs
Executor- Taipei Computer Association

ABOUT PRESIDENTIAL HACKATHON

Launched in 2018 by the Taiwan Presidency, Presidential Hackathon (PH) aims to facilitate exchanges among data owners, data scientists, and field experts to **assemble the wisdom of crowds across government, industry, and civil society**.

By encouraging cooperative proposals from citizens, PH address the strong connection among **citizen engagement**, **scientific verification**, and **policy implementation**, also the event is dedicated to promote the well-being of the people and creating global partnerships.

FREE THE FUTURE : OPEN, DIGITAL & GREEN

Participate Theme The proposal must correspond to at least **two** themes: **OPEN**, **DIGITAL** or **GREEN**

OPEN

GREEN

DIGITAL

OPEN X DIGITAL

e.g.: Visualize the budget data of various public departments of the government, allowing citizens to suggest how to use the budget effectively
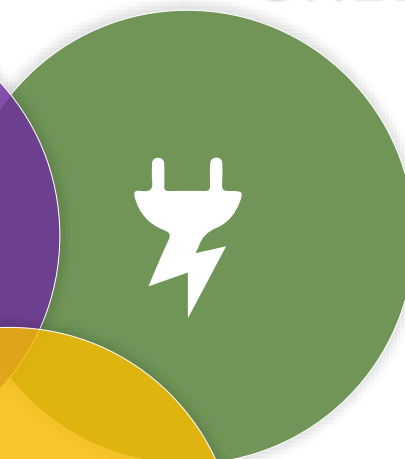

OPEN X GREEN

e.g.: Jointly create a net-zero emission method by local residents and relevant stakeholders

DIGITAL X GREEN

e.g.: Use digital tools to calculate and manage the greenhouse gas emission data in whole service process

OPEN X DIGITAL X GREEN

e.g.: Collecting data from various sources of greenhouse gases, and provide public to analyze the data and recommend the practices to achieve net zero emissions
